

STEPS FOR ACCOUNT OPENING

Visit <https://centillioncap.com>

Click on open an account

Enter Mobile Number and Email-id

You will receive an OTP on your Mobile No. for verification

The following documents will be required in the Account Opening process. Keep them handy (Aadhaar and PAN card) and click on continue

Enter your PAN Card No. along with your Date of Birth as per the PAN card and click 'Next'

You can have KYC by 3 modes:

- Aadhaar KYC
- Digi locker
- Video KYC

For AADHAAR KYC

1. Click on Aadhaar KYC
2. Enter your Aadhaar Card No. and Login
3. Click on Offline KYC
4. Then create a share code and save zip file of Aadhaar Card
5. Upload the saved file.

For DIGILOCKER

1. Click Connect your Digi locker (Aadhaar should be linked with a mobile number). If you connect to Digi locker, then you do not have to upload any details. Click on 'Connect now'
2. Enter your Six-digit PIN and click on allow to access documents.

For VIDEO

1. A code appears on screen which you have to write on a paper
2. Hold the paper in front of camera and acknowledge the same speaking the said code

Fill your personal details carefully

Accept the Terms and Conditions

Enter your Bank Details

Enter the Segment for which you want to open the Account.
Choose the required field

On the next screen you will see a request to allow camera access to capture a live photograph
(a requirement mandated by SEBI) and upload your documents

Then you will see a 'Nominee Addition' screen where you can add up to 3 nominees for your Demat Account and Once you click on **'Add Nominee'**, you need to fill the nominee details correctly and then you will need to upload identity proof of the nominees

E-sign your application and you will receive an OTP on your Aadhaar linked mobile number,
please enter the OTP

Congratulations your Account is opened
